2. Choose a **theme** (you can always change later)

- 3. Choose a **domain name** (what this means is create a name for your website:
 - a. Here we would like you to write your **First** and **Surname** followed by **FEC**
 - b. Example if your name is Hamid Mahmood you would type: hamidmahmoodfec
 - c. You will then most likely get the following domain name:

hamidmahmoodfec.wordpress.com

		Step 2 of 4			
		Let's find a domain			
	Choos	e a custom domain, or a free .wordpres	s.com address.

The Surah you are analysing e.g. 'Surah Naba'
- 6. Now create and publish your weekly sabaq as 'blogs'

b. And then any date of the week e.g. Surah Naba 23.02.2016

Your Task for this week is to copy your analysis of surah naba onto your first blog and if you like you may take a picture of your exercise book and upload to your blog.
