# *Car Parking Policy*

Name of School:

Fatima Elizabeth Phrontistery

## Car Parking Policy

Car parking at the madrasah is on a first come first served basis. At the **Connaught School for Girls** site there are two ways you may drop off your child/ren:

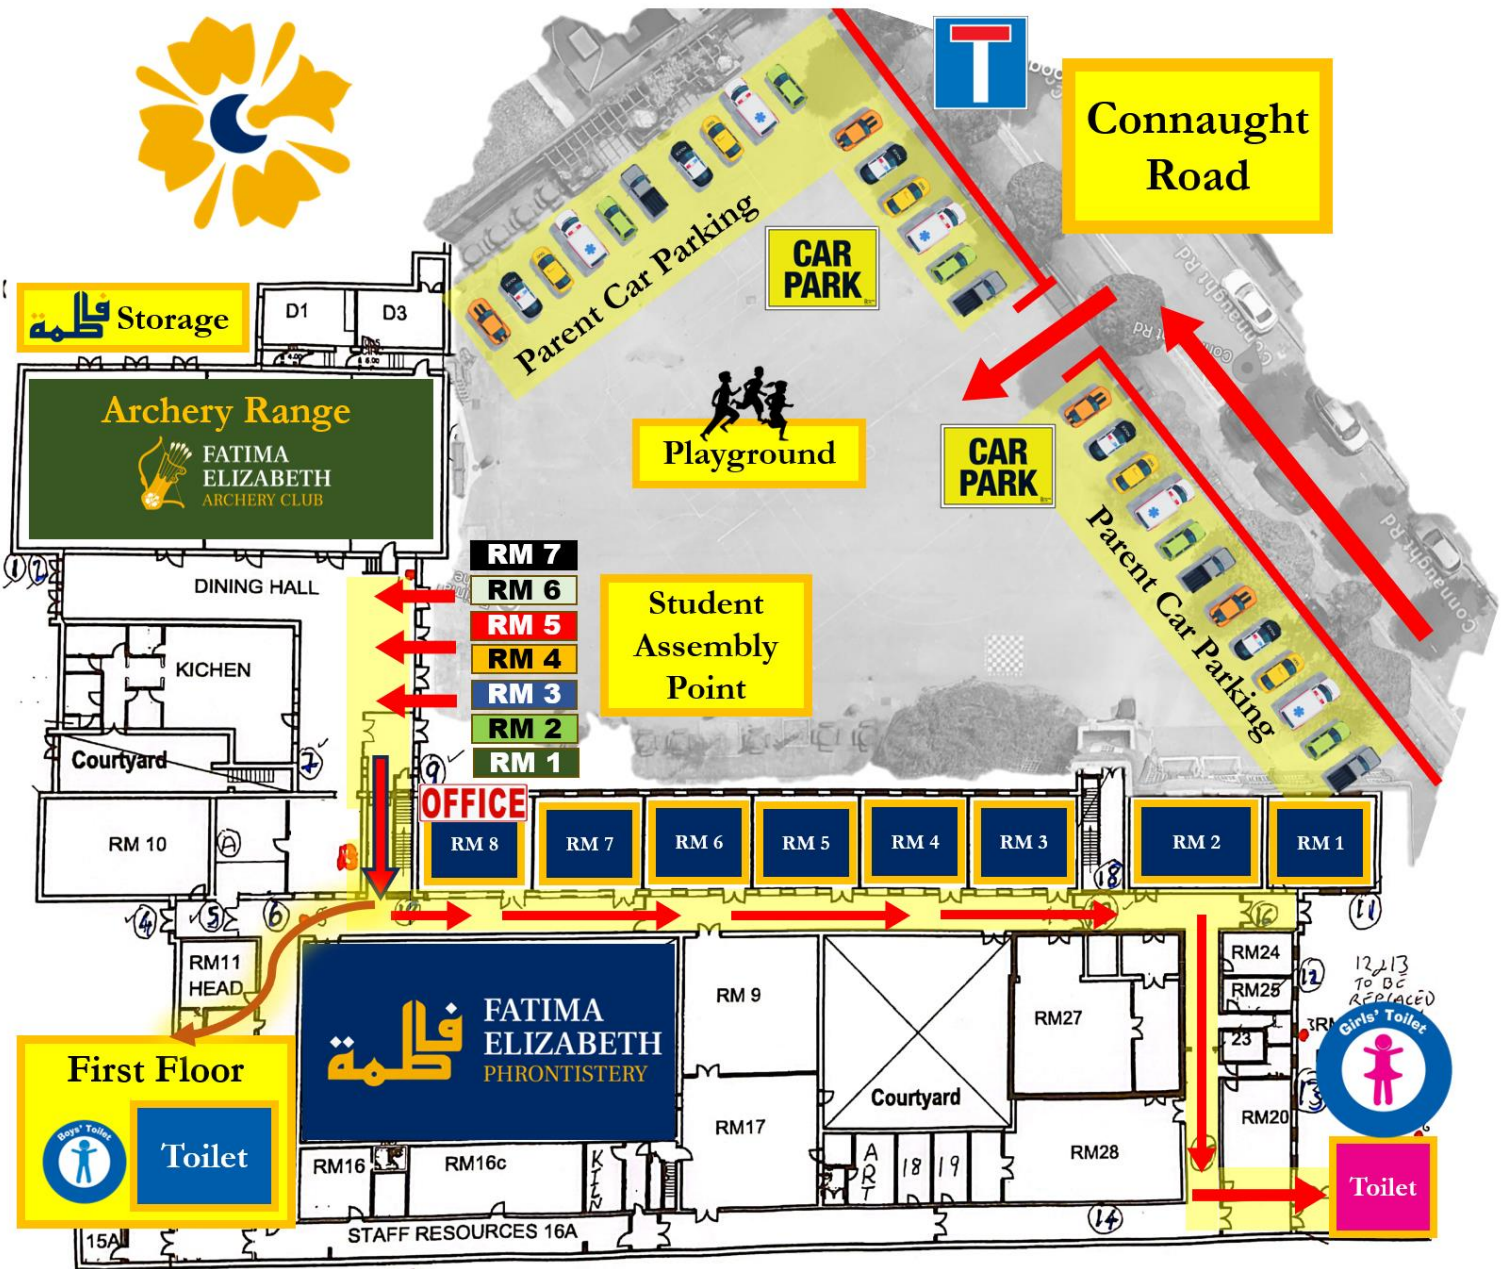

1. **On road parking is free on Dryers Road and Connaught Road** (*please see illustrations p.2*): Please be considerate of local residents. After you have parked please bring your child/ren through the **main gate** (*please see illustrations p.2*) that leads into the playground and to the assembly point.
2. **The School Play Ground:** Parents may park their cars here and escort their child/ren to the assembly point (*please see illustrations p.2*) or for coffee morning; parents' meeting; archery club etc. There is no time restriction for parking here.

Please ensure the safety of all school playground users as the site. There may be occasions where we will not be allowed to use the car park but we will inform you via WhatsApp prior to such an event.

Alternatively, we suggest and promote our students to walk and cycle to madrasah as there is ample bike lockup spaces.

If you have any queries regarding this policy, please contact the Head Teacher Ustadh Hamid Mahmood

Policy agreed on behalf of Staff
