# Snippets from Nawawee's 40 Hadeeths

Compiled by Umm Zaynab Aalia bint Ehsanullaah.

Translations are by Nasser ibn Najam Alvi using the explanations of the hadeeths by Shaykh Saalih al Fawzaan in his book *Al Minhatur Rabbaaniyyah*. The footnotes contain the translation of preference since they include explanatory details.

The snippets do not necessarily represent the most important parts of the hadeeths, nor do they correspond to one snippet from each hadeeth.

The snippets are simply intended to introduce beginners and children to learning hadeeths using snippets that are less than twelve words long.

For material without pictures for colouring, and for an Arabic-only version, there are other resources for these hadeeth snippets on [www.islamthestudyguides.com](http://www.islamthestudyguides.com).

The colouring patterns are original designs and copyright of Umm Zaynab Aalia bint Ehsanullaah.
