

The Ramadhan FEC Qaidathon!

The **Qur'aan** was first revealed in **Ramadhan**. After that every year in **Ramadhan** the **Prophet Muhammad** (ﷺ) would revise the **Qur'aan** with the **Angel Jibreel** (عليه السلام). We would like you to take full advantage of **Ramadhan's** countless blessings by **emulating** the **Prophet** (s) and going through the **Qur'aan**. Hence we have set up the **FEC Qaidathon**, which challenges you to recite as much of the Qaida as you can in Ramadhan.

How it Works: - **Qa'idah** students can take part too! Students who revise up to their **present page 3 times** will gain a **Bronze medal**. Those who complete twice their normal amount of **Qa'idah Homework/Sabaq** will gain **Silver**. Those who do both of these things and at the same time demonstrate all round progress (in a test with Ustadh Hamid) will achieve a **Gold medal**

- It's a marathon (or a Qaidathon 😊) not a sprint, hence you are expected to apply the rules of **Tajwid** when you recite, drawing on what has been learnt in class
- For each day of **Ramadhan**, you can fill in the **table** above to record your progress. This will be signed by your parents every day and checked by your teachers every week. Your teachers will also test you on some of the pages you have covered.
- Finally, the class with the most Gold medals will be receiving an extra reward. **Let the Qaidathon begin!**
